> The status report was initially called an interim report, but I have changed the name so it is not confused with the report the Secretary provided to the President. This document was used extensively in the Interior Department press release on the report the Secretary did provide to the President.  
>  
> The Bears Ears economic report, prepared by the Departmental economic staff, reflects considerable input from BLM and the Forest Service. Going forward, the DOI economic staff will prepare similar reports on most of the monuments under review. As you previously approved, Forest Service economists will prepare the reports for two monuments -- Giant Sequoia and San Gabriel Mountains -- that are entirely managed by the Forest Service, and there will be discussions with NOAA with respect to the Marine National Monuments.
